## SUMMARY

"I'm a Computer Engineering undergraduate passionate about creating smart and efficient apps and solutions. With experience in app development using Swift, SwiftUI, and Xcode, I enjoy building innovative applications. I also have some experience at public relation, as I have worked as a receptionist at Odette Hotel in Bodrum, and Translator & Secretary at Mahum Domestic and Foreign Trade Company".

## PROJECTS

**Planets**                                                                 *Completed*
*(SWIFT, SWIFT UI, XCODE)*

- Planet is an interactive solar system app that lets users explore planets in a dynamic and immersive way. It features zoom and pan functionality, 3D models of planets with AR support, and detailed planetary information. Users can rotate planets, take quizzes, and experience an interactive learning mode. Designed for education and engagement, the app brings space exploration to life.

**Basic First Aid Guide**                                                   *Completed*
*https://github.com/itkhld1/FirstAidGuide*

**What Am I?**                                                              *Completed*
*https://github.com/itkhld1/WhatAmI-/tree/main*

**Quote-Daily Inspiration**                                                 *Completed*
*https://github.com/itkhld1/Quote*

## EDUCATION

**Pamukkale University**                                               Denizli, Turkiye
*BS in Computer Engineering*                                        **09/2021– Continue**
Cumulative GPA: *2.3/4.00*

**Resalat Number 2 Private High School**                        Herat, Afghanistan
                                                                    **03/2017 – 11/2020**

Grade: A
Relevant Coursework: Mathematics, Physics, Biology, Chemistry

## WORK EXPERIENCE

**Translator & Secretary**                                            **06/2024-Present**
Mahum Domestic and Foreign Trade Company

**Receptionist**                                                      **07/2024-09/2024**
Odette Hotel Bodrum

**ONLINE COURSE**

**CS50's Introduction to Programming with Python**                Harvard University
*Link: https://submit.cs50.io/courses/1202*
*Certificate Link: https://certificates.cs50.io/45ce8e62-3587-4a33-a97a-2edced653b6c.pdf?size=letter*

**GRANTS & SCHOLARSHIPS**

- Turkey Burslari Scholarship (fully funded)                     **2020-2024**
- Runner up Football Team (Gençlik Merkezi, Denizli)             **2022**

**SKILLS**

| | | |
|---|---|---|
| • **Software tools** | *Python, MATLAB and SQL, C++, Java, HTML and, microsoft server sql, Swift, SwiftUI, Xcode* | Junior |
| • **Communication** | *Written and Oral communication:* <br><br> *English, Turkish* | Language proficiency; Turkish (Expert), English (B2) |
